RESOLUTION No. 2019-406

A RESOLUTION SETTING THE GRADUATE-LEVEL DEGREE EQUIVALENCY OF THE BASIC LAW COURSE

Whereas, starting in 1994, the powers to administer the legal education system of the country and to supervise law schools were lodged with the Legal Education Board (LEB) by virtue of Republic Act No. 7662, entitled the "*Legal Education Reform Act of 1993*";

Whereas, on August 22, 2002, the Commission on Higher Education (CHED) issued CHED Memorandum Order (CMO) No. 18, Series of 2002, declaring that holders of the Bachelor of Laws (L.L.B.) Degree with bar eligibility *may be considered as having the equivalent of a Master's Degree for purposes of evaluating their qualification for a position and in determining their compensation*;

Whereas, on July 03, 2013, the Civil Service Commission (CSC) issued Memorandum Circular No. 14, Series of 2013 recognizing that the completion of the L.L.B. Degree *shall be considered appropriate education to division chief and executive/managerial positions or other positions requiring a master's degree*;

Whereas, pursuant to LEB Memorandum Order (LEBMO) No. 1, Series of 2011, the LEB considered both the L.L.B. and the *Juris Doctor (J.D.)* degrees as basic law degrees;

Whereas, Section 16 of LEBMO No. 1, Series of 2011, in relation to Section 6 of Rule 138 of the Rules of Court, requires that a bachelor's degree be first completed by anyone seeking to be admitted to the L.L.B. or J.D. program of studies;

Whereas, on December 1, 2018, the LEB issued LEBMO No. 19, Series of 2018, adopting the J.D. Degree as the universal academic degree for all graduates of the basic law course in the Philippines, discontinuing the use of the L.L.B. Degree, and considering past L.L.B. Degrees conferred as equivalent to the J.D. Degree;

Whereas, even as the J.D. Degree is declared as a "professional doctorate" degree in LEBMO No. 1, Series of 2011, the LEB, however, did not specify as to what academic graduate degree it is equivalent to;

Whereas, the LEB, being the government agency that administers the legal education system in the country pursuant to law, is the appropriate government authority that should determine the academic degree equivalency of the basic law degree;

Whereas, there is confusion as to what academic graduate degree level is the basic law degree equivalent to because of the following reasons:

- There is yet no LEB issuance that fixes the academic graduate degree to which the basic law degree is equivalent to;
